National examinations, including KPSEA and KCSE, are scheduled between late October and November, with the KCSE ending on November 21, 2025

"Please note that school holidays are determined by the Kenyan Government and the Department of Education, and these dates are subject to change without prior notice. While we will make every effort to keep you informed of any adjustments, it is important to understand that holiday scheduling is beyond our control.

During the holidays, participants are welcome to join our construction and renovation projects, which continue to make a meaningful impact on the community."
